

Join Dr. David Katz on The John Tesh Radio Show Cruise

Vacation on The Caribbean

April 12-19, 2008 Eastern Caribbean

Imagine a sun-filled week at sea full of fun, music and relaxation with Dr. Katz and Friends on the John Tesh Radio Show Cruise!

In the past John Tesh has done television, live musical performance and radio. This cruise is John's way to bring together all of these components in a one-of-a-kind event designed to enrich your life through music and workshops with helpful advice from experts you can trust! Music, new friends and a framework for a happier and more fulfilling life.

John will be performing live in concert twice during the cruise. One concert will be with the full band and the second will be a more intimate "storyteller" style with John sharing his inspiration and "back-story" behind many of your favorite songs.

Just Announced!

Dr. David Katz is one of the nation's foremost authorities on nutrition, weight control and the prevention of chronic disease. He provides expert guidance for lifelong weight control, health and contentment with food. He'll be sharing his knowledge with you in workshop designed to inform and inspire.

Kimberley Locke will be joining us on the cruise this year! You've seen her on American Idol and heard her music - *now you get to see her "Live in Concert!"*

With her recent hit, "Change" becoming a top 10 Billboard AC hit, Kimberley has scored 5 top 10 AC hits in three years – more than any artist in that time.

2 concerts with John and his band

Fun in the sun!
